Stacey David's Gearz Project Planning Book

LMC
TRUCK
EXCLUSIVE

Stacey David's Gearz Project Planning Book is a comprehensive guide to help you plan, budget, document and archive a complete project build from start to finish. This guide will help you stay more organized by planning ahead while keeping you on track and inspiring you to reach your project goals.

Each fill-in-the-blank section allows you to document the specific parts used, part numbers and costs involved. A table of contents breaks down the 22 color-coded sections. The 8 1/2" x 11" wire-bound book has 144 pages with a clear sleeve for receipts and photos.

Gearz Project Planning Book

13 |

First, I should start by just apologizing to everyone I work with. To say it has been a hard 6 months would be an understatement. We have been pushed to our limits, our friendships have been tested, and most of you haven't seen me because I have been working in a warehouse.

To our customers, I know it has been equally hard for you. I know that our call center was nearly impossible to reach for a few months, I know our warehouses were behind. I know you were frustrated. But I am proud of the people I work with. The warehouse stuck with me and worked 10-hour days 5, sometimes 6, days a week. We didn't do it perfectly, we made mistakes, and we learned things about ourselves. Things that will make us better.

The call center stayed and answered calls past the time we were supposed to be shut down. They could see how many were stacked up in the queue, and they were frustrated they couldn't get to the calls. They felt they let you down. I know some of you felt that way also, but if you would have been here, if you could have seen the look of concern and worry about getting calls answered and orders out the door, how late and how hard they worked, you would be proud of them too.

I have to apologize because I pushed too hard, sometimes lost my temper, and my mouth might have said some things I wish I could take back. So now that things have "normalized" somewhat and I look back, all I can humbly say is thank you for sticking with me, putting up with me and getting us through a very hard time.

How to Use this Catalog

Example: Wiper Blades

PART	ILL#	DESCRIPTION	APPLICATION	REQD	PRICE
47-3991-D	(1)	WIPER BLADE	DAKOTA	97-03 (2)	\$6.95

Please Note: Product drawings are only representations. Products supplied may vary from illustrations in this catalog.

ALL ITEMS ARE PRICED EACH IN THIS CATALOG.

Kit means the components that are required to do a replacement for one part, check required column. Set means a number of parts that complete one truck.

Explanation of policies is on pages 56 and 57.

Listing Explanation:

- PART:** The part number you order, i.e. #47-3991-D.
ILL #: Illustration reference number, i.e. (1) is the Wiper Blade.
DESCRIPTION: Name of part, i.e. Wiper Blade.
APPLICATION: Model and year part fits, i.e. Dakota 1997-03.
REQD: Quantity of the part required for one truck, i.e. two (2) Wiper Blades are required for one truck.
PRICE: The low price you pay for one part, i.e. Wiper Blade is \$6.95, making your total net cost \$13.90 + Delivery & Handling for two Wiper Blades required for one truck.

Part Number Definitions

- T** After a part number means that part must be shipped Truck Freight. The prepaid order will include a \$125.00 charge for delivery in the 48 contiguous United States. Orders outside of the 48 states will be quoted. Additional delivery time required.
- Z** Remanufactured Part - Core charge will be applied then refunded after receipt of a rebuildable core.
- *** After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

How to Read this Catalog

Throughout this catalog, the application line of the part number describes which model of Dodge Truck that particular part will fit. The models this catalog covers are Dodge Dakota and Dodge Durango. Because not everyone can identify their truck by these model descriptions, here is an example of what each word and number that appears on the description line stands for:

	APPLICATION	REQD
DAKOTA	DAKOTA	97-99 (1)
DURANGO		
Part fits this year span		
Quantity required to complete one truck		

Part Number Example

PART	DESCRIPTION	APPLICATION	REQD	PRICE
55-2840	DISC BRAKE SHIELD SET	"A" DURANGO	04-05 (1)	\$84.95

The application line states that this part, #55-2840, fits Dodge Durango models from 2004-05. On the description line of part you see A, this means there is a special note about this particular part. At the bottom of the page the part appears on you will find a shadow box that will describe to you what the special note for this part is. Example:

Note: "A" Models without traction control.

This note is telling you that this part, #55-2840, is for models without traction control.

1997-06 Dakota Truck History

- | | | | |
|-------------|---|-------------|---|
| 1997 | Introduction of the 2nd generation of Dodge Dakota, America's first mid-sized truck. Available in Standard Cab or Club Cab and your choice of shortbed (6' 6") or longbed (8') body configurations. Interior and exterior styling closely resembled the full-size Ram. The frame of the 2WD Dakota received a 50% increase in torsional rigidity to improve ride and interior cab noise levels. The 4WD frame, already stiffer than the 2WD, was carried over from previous year. Engine choices ranged from a 2.5L 4 cylinder with 120 horsepower, a 3.9L V6 with 175 horsepower or a 5.2L V8 with 230 horsepower. Driver and passenger side airbags became standard equipment for Dakota. | 2001 | Changes focused on the interior of the Dakota as it received a new instrument panel, door panels and redesigned center console. For 4WD models, the transfer case selector switch changed from a floor mounted lever to a dash-mounted rotary switch. The optional Homelink transmitter feature allowed for garage door operation at the touch of a button. |
| 1998 | The high performance Dakota R/T roared in with a 250 horsepower 5.9L V8 engine with automatic transmission and performance suspension, riding on 16 inch tires. Dash mounted passenger side airbag on/off switch added. Power driver seat is optional as well as a passenger side A-pillar mounted grab handle for 4WD models. | 2002 | The SXT trim package was introduced as the base trim level for Dakota models. The SXT had more standard features than any of its competitors' entry-level trim packages. |
| 1999 | Only in its 3rd year, very few minor changes were made. One-touch-down feature added for driver-side power window. 2 new overhead console styles were introduced. Steering wheel mounted radio controls were optional. | 2003 | The 2.5L 4 cylinder engine was dropped from production, leaving the 3.9L V6 as the standard engine or the 4.7L V8 and 5.9L V8 as optional engine choices for Dakota models. |
| 2000 | The Quad Cab Dakota was introduced. The Quad Cab featured 4 full-size forward hinged doors and was only offered with a 5' 3 bed. The longbed (8') was dropped from production. Power rack and pinion steering standard on 4WD models. The 4.7L V8 replaced the 5.2L V8. | 2004 | In anticipation of the new body style, notable changes occurred only to powertrain options. The 3.9L V6 was replaced by the more powerful and more fuel efficient 3.7L V6. Additionally, the 5.9L V8 was dropped from production. |
| | | 2005 | The 3rd generation of the Dakota featured all new sheet metal, redesigned front and rear suspensions and rack-and-pinion steering standard for all models. The all new Dakota was only available in Club Cab or Quad Cab configurations. Engine choices were limited to the 3.7L V6, 4.7L V8 or the new 4.7L High-Output V8. |
| | | 2006 | Minimal changes occurred during the second year of production. The R/T trim package returned as an option on 4WD models. |

1998-06 Durango Truck History

- | | |
|---|---|
| <p>1998 The first year of the Dodge Durango, a mid-size 4-door Sport Utility based on the Dodge Dakota platform. The Durango allowed for up to 8 passenger seating if equipped with the optional 3rd row seat. Raised seating in the second and third rows combined with a raised roof section created more headroom and better rear passenger visibility. Standard engine for the Durango was the 3.9L V6 with the 5.2L V8 or 5.9L V8 available as optional engines. During the first model year all Durango's were 4WD.</p> <p>1999 The Durango was now available as a 2WD model. Minor changes were made for the second year of Durango. Two new paint colors were available and notable options available included 6 x 9 heated rear view mirrors and steering wheel mounted radio controls. Leather seats were now standard on SLT Plus models, and body-color wheel flares were standard on SLT Plus 4WD models.</p> <p>2000 The new 4.7L V8 engine replaced the 5.2L V8 as the standard engine for 4WD models. A new 5 speed automatic transmission, the 5-45RFE was mated to the 4.7L V8. It featured a dual ratio 2nd gear for variable downshifts depending on engine load. Power rack-and-pinion steering featured on all models. The high performance Durango R/T came standard equipped with a 5.9L V8 and All Wheel Drive.</p> <p>2001 Dodge focused on interior upgrades as Durango's interior trim panels, dash mounted controls, instrument panel, overhead console and steering wheel were all redesigned. For improved rear passenger comfort, a dual-zone climate control system was now standard. Sound systems were improved on all models and now came standard with 6 speakers.</p> | <p>2002 The new SXT version of the Durango was offered as the entry-level trim package. Side curtain airbags were added for increased safety.</p> <p>2003 For 2003 Durango featured minor mechanical changes, most notable was the addition of 4 wheel disc brakes.</p> <p>2004 The totally redesigned second generation Durango featured bolder styling and larger overall dimensions than previous models. The restyled Durango boasted of interior room and towing capacity comparable to vehicles in the large SUV market segment, yet provided the fuel economy, handling and performance common to a smaller SUV. Three engines were available for Durango, with the 3.7L V6 as standard equipment and the 4.7L V8 or 5.7L Hemi V8 as available options.</p> <p>2005 Interior improvements for Durango included heated cloth seats as standard equipment on all trim levels and a full-screen navigation system as an available option. The new Adventurer trim package featured reversible deep-channelled floor mats, washable cargo liner with built-in organizer, Satin Silver tubular side steps, unique exterior badging and machined finish aluminum wheels.</p> <p>2006 To further enhance passenger safety, roll-sensing technology was added to the side curtain airbag system. For improved fuel efficiency the 5.7L Hemi V8 received the Multiple Displacement System (MDS). During low engine load operation, Dodge's MDS system used advanced on board electronics to allow a seamless transition from 8-cylinder operation to 4-cylinder operation in a mere .04 seconds.</p> |

Belt Molding Remover

Window Belt Molding Remover allows quick removal of your window belt molding without damaging the sheet metal, glass or molding. Tool has two different jaw sizes to fit a variety of belt molding designs.

PART	DESCRIPTION	PRICE
38-1376	BELT MOLDING REMOVER	\$13.95

Plug Weld Pliers

38-1318

Spot weld your new rockers or other body panels with ease and have a factory style weld to show for it. The Plug Weld Pliers feature locking jaws and a replaceable copper alloy pad to prevent burn through. Replacement pads sold below.

PART	DESCRIPTION	PRICE
38-1318	PLUG WELD PLIERS	\$25.95
38-1319	REPLACEMENT PAD	\$8.95

Adhesive/Stripe Eraser Wheel

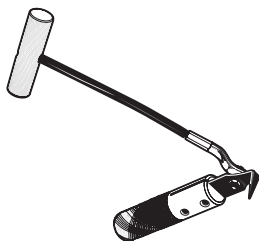

38-1314

Easily remove decals, pinstriping and adhesive tape residue without damaging your paint! This 3-1/2" diameter eraser wheel includes the arbor and is designed for use in air or electric drills at speeds up to 4000 rpm.

PART	DESCRIPTION	PRICE
38-1314	ADHESIVE/STRIPE ERASER WHEEL	\$14.95

Windshield Removal Tool

Cuts the adhesive compound used to attach windshields. Features tempered steel blade with knurled handles for extra grip and leverage.

PART	DESCRIPTION	PRICE
38-0732	WINDSHIELD REMOVAL TOOL	\$19.95

Fastener Removal Tool

38-1238

This tool effectively removes the plastic fasteners found on most door panels. Working end is offset for ease of access.

PART	DESCRIPTION	PRICE
38-1238	FASTENER REMOVAL TOOL	\$4.99

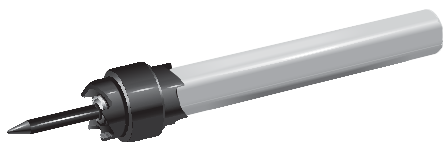

Sheet Metal Plugs

These flush mount Sheet Metal Plugs close unused holes in firewalls, floor pans and doors. Plugs are made of plastic and easily snap into 14 to 26 gauge sheet metal. Available in multiple sizes to fit 3/8" to 1" diameter holes.

PART	DESCRIPTION	PRICE
30-1972	PLUG 3/8" HOLE	\$.49
30-1966	PLUG 1/2" HOLE	\$.49
30-1973	PLUG 5/8" HOLE	\$.49
30-1974	PLUG 3/4" HOLE	\$.49
30-1975	PLUG 7/8" HOLE	\$.49
30-1954	PLUG 1" HOLE	\$.44

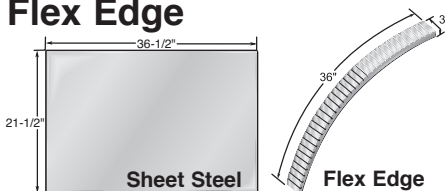

Spot Weld Cutter

Quickly drills out spot welds on body panels. Features 1/4" arbor and double-ended 3/8" diameter cutting blade with retractable pilot to ensure accurate cuts without damage to underlying panel.

PART	DESCRIPTION	PRICE
38-1307	SPOT WELD CUTTER-3/8"	\$8.99
38-1396	REPL HEAD-3/8"-3 PACK	\$11.95

Sheet Metal and Flex Edge

PART	DESCRIPTION	PRICE
38-7772	STEEL-36" X 43" 20GA	\$33.95*
38-7773	STEEL-36-1/2"X21-1/2" 20GA	\$19.95

38-7897 FLEX EDGE-3/4"X36"X3" 22GA \$11.95
*After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

Body Panel Alignment Shims

30-2826
30-282730-2828
30-2829

PART	DESCRIPTION	PRICE
30-2826	SHIM 1/16" THICK 3/8" SLOT	\$.49
30-2827	SHIM 1/8" THICK 3/8" SLOT	\$.49
30-2828	SHIM 1/16" THICK 1/2" SLOT	\$.49
30-2829	SHIM 1/8" THICK 1/2" SLOT	\$.49

Panel and Trim Removal Tool Set

Five-piece Panel and Trim Removal Tool Set can be used to remove interior and exterior trim, fasteners, moldings and panels. Constructed of heavy-duty plastic for strength and flexibility. Call or go online and order yours today!

PART	DESCRIPTION	APPLICATION	REQD	PRICE
38-8245	PANEL & TRIM TOOL SET-5PC		(1)	\$9.95

Exterior Trim Paint

37-8361

ColorBond Exterior Trim Paint has all the innovative features of ColorBond Interior Paint but is specially formulated to provide a stronger, more durable bond for exterior trim use. Exterior Trim Paint delivers a superior finish to exterior trim plastics and painted metal trim including: bumpers, mirrors, fender flares, wiper arms and window trim. Each 12 ounce can covers 6 square feet. Use ColorBond Adhesion Promoter #37-8395 prior to application for a long-lasting finish.

PART	DESCRIPTION	APPLICATION	PRICE
37-8361	EXTERIOR TRIM PAINT-SATIN BLACK	12 OUNCE	\$16.95
37-8364	EXTERIOR TRIM PAINT-GLOSS BLACK	12 OUNCE	\$16.95
37-8362	EXTERIOR TRIM PAINT-SILVER	12 OUNCE	\$16.95

Steel Body Parts

1997-04 Dakota

Steel Body Panels and What to Expect
All sheet metal is inspected before it is shipped and careful steps are taken to package parts so there is no damage during shipping. Due to the nature of the product, sheet metal is easily damaged and scratches, dents, dings and other imperfections are normal and not considered damaged. These kinds of imperfections should be expected and can be easily fixed during installation and the paint preparation, sanding and priming stages of your restoration. It is recommended you inspect all sheet metal that is delivered before the delivery driver leaves. Test fitting of all panels before installation is recommended and the use of alignment shims and other adjustments during the install may be required.

Steel Body Parts

1998-06 Durango

Emblems are original equipment for the years shown. They will fit all 1998-03 Durango models.

To ensure proper fit of repair panels, do not begin cutting the existing sheet metal until you have received and checked the fit of the new panel.

Due to variations between manufacturers, dimensions may vary slightly.

POR-15 Restoration Products

POR-15 is a high-performance rust preventative black paint designed to extend the life of new and rusted metal surfaces. It dries to a rock-hard, non-porous finish that will not rust, chip, crack or peel.

Dries in 2 to 5 hours; body fillers and paint can be applied over POR-15. For maximum effectiveness, degrease metal surfaces with Cleaner Degreaser, then prime with Metal-Prep.

Approximate product coverage:

1 pint = 48 sq. ft.; 1 quart = 96 sq. ft.

Dry Time Accelerator reduces the cure time of POR-15 by 30-50% without affecting the final physical properties of the paint. One 8 ounce bottle treats 64 pints or 32 quarts of POR-15.

PART	DESCRIPTION	PRICE
37-8411	POR-15 SEMI-GLOSS-1 PINT	\$34.95
37-8412	POR-15 SEMI-GLOSS-1 QUART	\$52.95
37-8408	POR-15 GLOSS-1 PINT	\$36.95
37-8409	POR-15 GLOSS-1 QUART	\$52.95
37-8418	DRY TIME ACCELERATOR	\$29.95

High Temp Paint is an extreme temperature finish that maintains color without burning off or discoloring on manifolds and headers. Withstands high temperatures up to 1200°F and resists cracking, chipping and peeling. It is weather-, salt- and moisture-resistant. Available in gray or aluminum color; can be brushed or sprayed on. Recommend sandblasting for optimal surface preparation.

Approximate coverage: 8 oz. covers a set of big block V8 headers with two coats.

PART	DESCRIPTION	PRICE
37-8484	HIGH TEMP PAINT-GRAY 8 OZ	\$21.95
37-8485	HIGH TEMP PAINT-ALUM 8 OZ	\$21.95

Metal-Prep provides adhesion for POR-15 on any metal surface. Gently etches metal, neutralizes rust and creates an ideal anchor for coatings such as POR-15, while leaving a zinc phosphate finish to ensure chemical bonding of paint and steel. Metal-Prep must be used on galvanized metal, aluminum, stainless steel and smooth, polished or new metal surfaces prior to applying POR-15. Metal-Prep is water-based so it is not caustic, corrosive, toxic or flammable.

PART	DESCRIPTION	PRICE
37-8415	METAL-PREP 1 QUART	\$18.95
37-8416	METAL-PREP 1 GALLON	\$36.95

Cleaner Degreaser cleans and degreases in one application without messy residues, noxious fumes or flammable solvents. Removes grease, oil, mildew, algae, musty odors, soap films and wax from canvas, vinyl, plastics, nylon, wood, fiberglass and all metal surfaces.

Cleaner Degreaser should be used as a surface prep prior to using Metal-Prep and POR-15.

PART	DESCRIPTION	PRICE
37-8413	CLEANER DEGREASER 1 QUART	\$12.95
37-8414	CLEANER DEGREASER 1 GALLON	\$26.95

POR-15 Self Etch Primer is a quick drying and easy-to-apply coating which enables a restorer to quickly topcoat POR-15 Rust Preventive Coating and other basecoats. You can even topcoat POR-15 that's been in place for months or years. This Self Etch Primer is NOT a high-build primer, it can be sprayed on almost any painted surface and can be top coated in 15 - 30 minutes. It bonds incredibly well to POR-15 Rust Preventive Coating, and all topcoats bond incredibly well to POR-15 Self Etch Primer. It can be sanded lightly, and, if desired, multiple coats may be applied.

PART	DESCRIPTION	PRICE
37-8401	SELF ETCH PRIMER-GRAY	\$34.95

37-8402

37-8403

37-8404

POR-15 Top Coat can be applied directly to a clean prepped metal surface, but when used as a top coat over POR-15 Rust Preventive Coating it provides the toughest, most permanent protection against rust and corrosion. It has exceptional long-term gloss and color retention when exposed to sunlight and the elements, non-porous, extremely scratch and chip resistant, won't crack, peel or chip. Can be applied directly to metal substrates, with no need for a primer or undercoat, and is formulated to form a robust barrier that sheds moisture.

PART	DESCRIPTION	PRICE
37-8402	TOP COAT-CLEAR	\$24.95
37-8403	TOP COAT-GLOSS BLACK	\$24.95
37-8404	TOP COAT-CHASSIS BLACK	\$24.95

Chassis Black has a semi-gloss appearance. For maximum durability Chassis Black should be clear coated.

Bed Liner is a water-based, rubberized coating ideal for protecting truck beds, and all other metal, aluminum, fiberglass and wood surfaces exposed to impacts and scuffs. It is UV stable and offers superior adhesion, impact resistance and flexibility. Features a textured semi-gloss black finish for good looks. Prior to application, surfaces should be degreased with Cleaner Degreaser and metal surfaces should be treated with Metal-Prep. Bed Liner can be applied over POR-15.

Shortbed trucks - 1 gallon for two coats on bed floor, sides and tailgate. Longbed trucks need an additional quart.

Approximate product coverage:

1 quart = 25-30 sq. ft.; 1 gallon = 100-120 sq. ft.

PART	DESCRIPTION	PRICE
37-8480	BED LINER 1 QUART	\$32.95
37-8481	BED LINER 1 GALLON	\$119.95

Fuel Tank Sealer coats the inside of your tank to stop rust and seal pinholes and weld seams. It's a non-porous, flexible film that is resistant to all fuels, alcohols and fuel additives. This environmentally safe sealer does not contain the harmful chemical Methyl Ethyl Ketone (MEK) and is non-flammable. Cleaner Degreaser and Metal-Prep must be used to prep fuel tank prior to using fuel tank sealer.

Approximate product coverage:

1 pint = to 12.5 gal tank; 1 quart = to 25 gal tank

PART	DESCRIPTION	PRICE
37-8488	FUEL TANK SEALER 1 PINT	\$26.95
37-8489	FUEL TANK SEALER 1 QUART	\$44.95

POR-15 Stop Rust Kit is designed to stop and/or prevent rust on metal surfaces and ensures the best results when applying POR-15 Rust Preventive Coating. The kit contains everything you need for the 3-step process, 8 ounce bottle of POR-15 Cleaner Degreaser, 8 ounce bottle of POR-15 Metal-Prep, 4 ounce can of POR-15 Gloss Black, two paint brushes, 1 pair of latex gloves, and detailed instructions and tips. The kit is ideal for small projects such as sub-frames, axle replacements, control arms, brake shields and much more! There is enough material in this kit to cover a 6 sq. ft. area with two coats.

Stacey David's Gearz Project Planning Book

**LMC
TRUCK
EXCLUSIVE**

Stacey David's Gearz Project Planning Book is a comprehensive guide to help you plan, budget, document and archive a complete project build from start to finish. This guide will help you stay more organized by planning ahead while keeping you on track and inspiring you to reach your project goals.

Each fill-in-the-blank section allows you to document the specific parts used, part numbers and costs involved. A table of contents breaks down the 22 color-coded sections. The 8 1/2" x 11" wire-bound book has 144 pages with a clear sleeve for receipts and photos.

Stacey David's Gearz Project Planning Book written by Stacey David copyright 2015 Rattle Trap Productions, Inc.

Custom Flexible Chrome Trim ... Design it – Cut it – Install it

Add design accents and trim on your vehicle in traditional patterns or create a unique custom look with Flexible Universal Chrome Trim. Available in four widths, any combination of the kits can be used to achieve a desired look. Chrome ABS Trim is scratch resistant, UV coated with a bright chrome finish and easily cuts with sharp scissors and features 3M™ adhesive peel-off backing. Pattern material is included for design and fitment of the flexible chrome laminate. Use provided sandpaper to clean up any edges or corners. Always double-check all measurements of materials needed for your design for your vehicle against available sizes of kits.

Side Window Deflectors ... Keep Your Window Open and the Weather Out

Side Window Deflectors ... The perfect addition to any truck. Keep your window open while still keeping out the wind and rain.

Made from durable ABS plastic which will bend but not break, absorbs road vibrations without fracturing. Will not discolor, fade or become brittle due to UV rays. Will not scratch or peel because it is not a laminate or painted on, but is infused into the plastic to give a hard, smooth finish.

Withstands exposure to rough conditions and extreme temperatures. Installs using 3M™ tape, included with set.

Tuff Truck Bag

Tuff Truck Bag is heavy-duty to withstand the elements for all-season cargo protection yet lightweight and collapsible to allow for easy storage when not in use. Tuff Truck Bag can be set up and loaded into any truck bed within minutes, unlike the time required for a camper shell or tonneau cover installation.

- Made from weatherproof, waterproof, non-breathable PVC material with heat fusion epoxy sealed seams along all edges.
- Heavy-duty, commercial-grade zipper and waterproof PVC triple-fold flap that covers the zipper.
- Heavy-duty metal rings in all four bag corners (top and bottom) to retain the bag to the truck.
- Includes storage tote bag and four adjustable bungee cords.
- Provides 26 cubic feet (40"x 50"x 22") of waterproof storage for any truck bed.
- Can be used alone or in addition to existing storage boxes.

PART	DESCRIPTION	REQD	PRICE
38-3058	TUFF TRUCK BAG-BLACK	(1)	\$169.95

Rail-Guards Provide Protection for Your Truck's Bed Rails

Rail-Guard is made of impact absorbing heavy-duty vinyl to protect your truck's bed rails. No drilling required. The full width 3M™ adhesive over the entire backside ensures maximum holding and means no condensation and dirt under the Rail-Guard. Can be used on running boards, rocker panels and in other applications where an attractive protection strip is needed.

Rail-Guard Set is a 22 foot roll of 3-3/4" wide vinyl for bedsides and tailgate with a 6 foot roll of 1" extrusion for the front bed panel. Tailgate Guard is a 6 foot roll of 3-3/4" material. Must be sized and cut to fit.

*After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

-T after a part number means that part must be shipped Truck Freight. The prepaid order will include a \$125.00 charge for delivery in the 48 contiguous United States. Orders outside of the 48 states will be quoted. Additional delivery time required.

Hand Riveter Set ... Makes Rivet Installation Easy

The Hand Riveter Set works great for body clips, door components, ID plates and sheet metal repairs. Comes with four nosepieces (3/32", 1/8", 5/32" and 3/16") and a wrench inside the gun's handle. 60 blind rivets included.

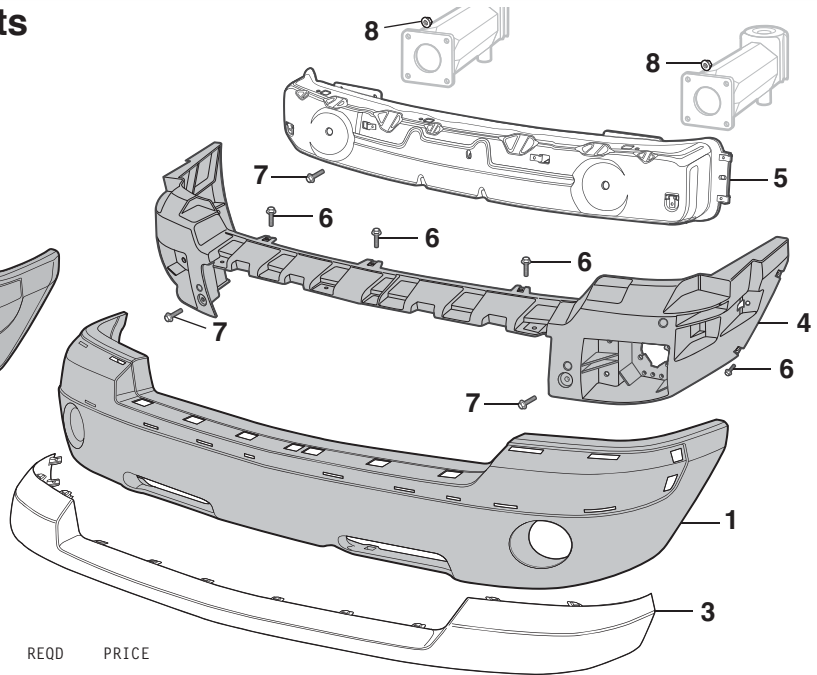

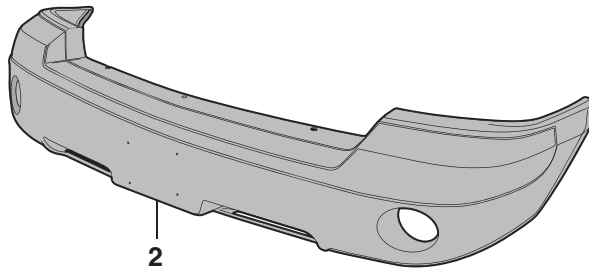

The Heavy-Duty Hand Riveter Set features extra long handles to give you more leverage setting rivets. A collection bottle keeps the workplace safe and clean. Includes 3/32", 1/8", 5/32", 3/16" nosepieces, plus 1/4" for larger projects like installing brackets and window regulators. Comes with a wrench and 50 blind rivets.

Sound Control Mat

Sound Control Mat reduces noise, vibration and heat created from the engine, road and structure of your vehicle. Can be applied to any interior surface area; cover as little as 25% of an area for a noticeable reduction. Each 2mm thick sheet consists of butyl rubber with a top layer of heat resistant aluminum that is easy to cut and conform to contoured surfaces, just peel and stick. Available in silver and black, each sheet measures 21" x 29".

Silver

3-in-1 Sound Control Mat combines the vibration absorption and heat resistant capabilities of the 2mm thick Sound Control Mat with an additional 5mm thick layer of foam for more efficient sound deadening. This makes it our most effective product for eliminating road noise and vibrations in your truck. Each sheet is 7mm thick and measures 19" x 31".

Look New Again ... The Easy Way!

Now You Can Be Sure All Your Interior Colors Match

ColorBond permanently changes the color of your interior. Sprays on and dries to the touch in 45 seconds, forming a complete bond in 10 minutes. Original grain pattern is never altered or hidden, no matter how many times ColorBond is applied. Will not crack, flake, peel or rub off from solid or flexible materials because the color becomes part of the surface.

\$16.95
each

These colors are specially formulated to closely match the original dash pad for the corresponding year..

ColorBond can be used on:

- Vinyl
- Leather
- ABS Plastic
- PVC
- Polyurethane
- Polycarbonate
- Lexan
- Acrylic
- Recycled Plastics
- Carpet
- Cloth Upholstery

ColorBond is a semi-gloss finish that is OEM approved, UV stable and colorfast. Each 12 ounce can will cover 7 square feet. ColorBond Prep/Cleaner should be used prior to applying ColorBond.

Black Underhood Paint

Before

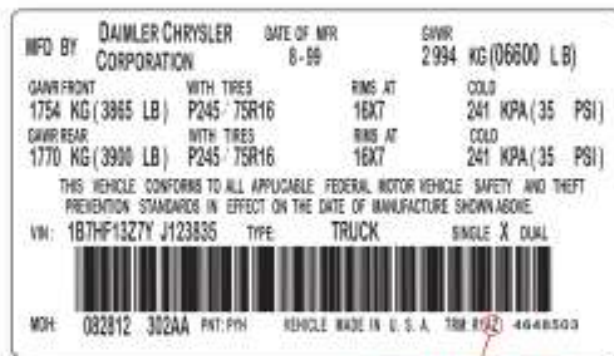

After

37-8367
\$16.95

Black Underhood Paint's specially formulated acrylic lacquer restores the finish of brackets, core supports, heater boxes and all underhood components. Withstands temperatures up to 250°F but is not designed to be applied to engine, manifolds or headers. 12 ounce can covers 6 square feet. Call or go online and order yours today!

Interior Color Code

The interior color code can be found on the label affixed to the driver's side door latch pillar. The four character TRM code is located below the bar code to the right of where the vehicle was manufactured. The first two characters are the code for the interior material and the last two characters are the interior color code.

ColorBond Satin Clear Coat provides a protective finish that won't wash off. Protects against fading, cracking and \$16.95 heat deterioration.

ColorBond Adhesion Promoter is required for the use of ColorBond on materials such as Polypropylene, \$16.95 Thermoplastic Elastomer, Polyolefin, Fiberglass and metal.

Spitshine Tire Black ... Bring Back the Shine

37-8370
\$16.95

Before

After

ColorBond Spitshine Tire Black is a specially formulated paint, not a clear silicone dressing, designed to restore a military shine to faded and scuffed tires for a minimum of two months. Spitshine is not greasy or tacky, so it won't attract unsightly dirt and dust. Each 12 ounce can is easy to apply; first, clean tires of any existing dressings, silicones and dirt with ColorBond Prep/Cleaner. Mask the wheel or rim and apply in light coats. Reapply Spitshine Tire Black if tires become scuffed.

Not for use on tires with white lettering or sidewalls.

Prep/Cleaner

37-8399
\$11.95

ColorBond Prep/Cleaner is a fast drying, non-solvent, multi-surface cleaner. It cleans and prepares the surface for use of ColorBond.

1/8" Thick Molded Industrial Polyvinyl (MIP) Floor Mats

Heavy-duty Molded Industrial Polyvinyl (MIP) Floor Mats are made of durable 1/8" thick industrial Polyvinyl and are resistant to moisture and temperature; therefore, they will not dry rot or crack and last longer than rubber. They are vacuum molded from the original floor pan to cover the entire floor, making installation easy.

56-7116

All MIP Mats are only available in black.

Mats are easy to clean and protect your interior from water, snow, mud and most chemicals. The MIP Floor Mat includes pre-cut 36 ounce jute padding under the passenger areas to provide a higher level of insulation against heat, cold and road noise.

PART	DESCRIPTION	APPLICATION	REQD	PRICE
56-7116	MIP MAT-BLACK "A" CLUB CAB	DAKOTA 97-04	(1)	\$194.95
56-7117	MIP MAT-BLACK QUAD CAB	DAKOTA 97-04	(1)	\$214.95

Note: "A" Fits 2 wheel drive with manual transmission and all 4 wheel drive.

Installation Tip: Allow mats to lay unfolded for 48 hours at room temperature of 72° or more to help remove creases caused by packing. Test fit prior to making any permanent installations (some trimming may be necessary).

Heavy-Duty Rubber Floor Mat Sets ... Protection at an Affordable Price

38-2645

38-2647

All-Season Mats are extra large for maximum coverage and protection. Four-piece set includes two extra large front mats and two rear mats with nibbed backing to keep mats in place and an extra high border and channel designed to trap water, mud and debris. Mats can be trimmed and are available in black, gray and beige. Front mats are 28" long and 20-1/2" wide; rear mats are 13-1/2" long and 17" wide.

Floor Liners ... Tough and Durable Protection for Your Truck

Floor Liners protect your truck's carpet from water, snow, mud and most chemicals. Molded for an exact fit from a patented rubberized thermo-plastic material, guaranteed not to crack or break. Raised outer rim traps up to 2 gallons of liquid. Driver's side mat is equipped with an extra thick heel pad to offer heel protection and guard against wear in this high use area. Floor mats conform to the shape of your vehicle's floor and have an anti-slip back. Cleanup is easy, just wipe up small areas with a cloth or remove the mat and hose it off.

Powr-Flo Throttle Body Spacers

56-0106

Powr-Flo Throttle Body Spacers are CNC-machined from billet aluminum and feature a bore engineered to increase velocity of airflow into intake manifold. This allows more air to reach combustion chamber for denser air charge and increase in fuel efficiency. The result is improved throttle response and power gains in mid-range and upper rpm operating ranges. Includes gaskets, hardware and instructions for a simple, bolt-on installation with no other vehicle modifications required.

30-1269	WIRING/TUBING GROMMET ASSORTMENT		(AR)	\$3.95

Rubber Vacuum Caps

These Rubber Vacuum Caps are great for blocking off unused vacuum ports and lines, to prevent leaks and poor engine performance. Excellent for capping lines and hoses while testing carburetors, emission control systems, vacuum lines and more.

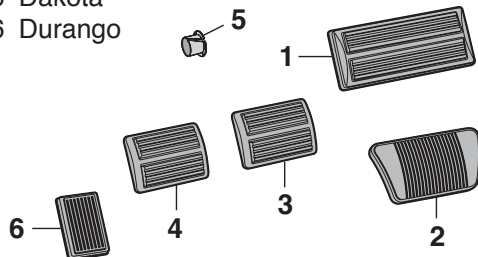

Caps are made from durable heat-resistant black rubber. Assortment contains one each of the following sizes: 5/32", 7/32", 5/16", 3/8" and two each of 3/16" and 1/4".

EZ Oil Drain Valve

EZ Oil Drain Valve allows quick oil changes with little to no mess. Compact design has no lever to catch on obstacles. Adaptors are not required and easily installs with socket or wrench. Aluminum crush washer (included) ensures tight, leak-free seal.

Simple operation; push in cap, twist to the right and drain. Once drained, push in and twist to left to close. Spring-tensioned, double o-ring seal guarantees a long, leak-free life.

Disposable Black Nitrile Gloves

Disposable Black Nitrile Gloves are made from durable, powder-free 6 mil thick patented material for superior strength and tear-through resistance.

Gloves feature a fully textured finish for better grip with a two-ply construction that is tough enough to withstand exposure to grease, solvents and oil. Sold as a box of 100.

Glove Sizing:

Place your hand on a flat ruler with your index finger next to the zero line:

3-1/2" = Medium

4" = Large

4-1/2" = X-Large

PART	DESCRIPTION	PRICE
38-0712-M	MEDIUM 100 GLOVE PACK	\$12.95
38-0712-L	LARGE 100 GLOVE PACK	\$12.95
38-0712-1X	X-LARGE 100 GLOVE PACK	\$12.95

Header Wrap

Increase performance by keeping hot exhaust gasses inside the headers for maximum velocity, improved exhaust scavenging and protecting sensitive engine components from high temperatures.

Header Wrap is able to withstand temperatures up to 1,200°F and is made from vermiculite-coated, textured fiberglass yarn woven into a strong, flexible wrap that can easily be cut with scissors.

Available in 25 or 50 foot rolls of 1" or 2" widths. Two 50 foot rolls of 2" wide are generally enough to wrap standard V8 headers. Stainless steel locking cable ties keep the wrap securely in place.

Header Wrap can void warranty of some headers. Check header manufacturer's warranty before installing.

Headers with tight bends should use 1" wide wrap for coverage. Overlap wrap 1/4" for optimum heat dissipation.

PART	DESCRIPTION	APPLICATION	PRICE
36-6181	HEADER WRAP	1" X 25'	\$11.95
36-6182	HEADER WRAP	1" X 50'	\$19.95
36-6183	HEADER WRAP	2" X 25'	\$16.95

Note: "A" Models without traction control.

Thermal Spark Plug Boot Sleeve Set

Thermal Spark Plug Boot Sleeves provide thermal protection against hot exhaust headers. Double-layer gray fiberglass sleeves are non-conductive and can directly contact hot surfaces without harmful effects. Chemically-resistant 3/4" diameter braided sleeves easily slip over any spark plug wire and boot configuration to protect from temperatures up to 1200°F. Call or go online and order yours today!

PART	DESCRIPTION	PRICE
36-6190	SPARK PLUG BOOT SLEEVE SET	\$14.95

Mini Tube Cutter

Mini Tube Cutter allows quick and simple cutting of Fuel & Brake lines from 1/8" to 5/8" OD. The compact design ensures easy access to even the tightest of spots. Cutter will cut through Steel, Aluminum, Plastic, Copper and Brass line.

PART	DESCRIPTION	PRICE
38-1372	MINI TUBE CUTTER	\$8.95

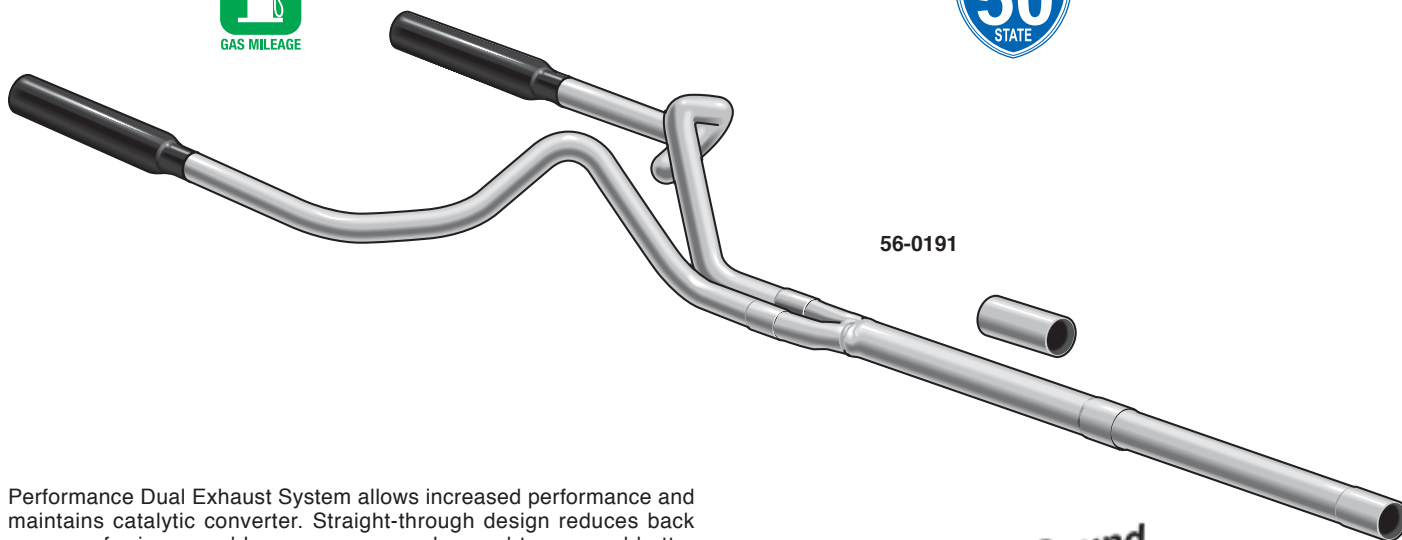

Flare Tool Set

SAE Flare Tool Set allows quick repair of Fuel, Brake, Oil and Transmission lines, taking the guesswork out of creating single and double flares. Will work with 3/16", 1/4", 5/16", 3/8" and 1/2" tube. Capable of creating single flares in copper, aluminum and brass tubing, double flares in soft steel tubing.

PART	DESCRIPTION	PRICE
38-1374	SAE FLARE TOOL SET	\$34.95

Cat-Back Performance Dual Exhaust Systems with Resonator Tips

56-0191

**Exceptional Sound
with Increased
Horsepower**

Performance Dual Exhaust System allows increased performance and maintains catalytic converter. Straight-through design reduces back pressure for increased horsepower, more low-end torque and better fuel economy. Resonator serves as the muffler in these systems.

Systems are made with modern tube benders utilizing mandrel bends, ensuring each bend is smooth flowing, increasing exhaust flow by up to 20% over stock systems.

Manufactured from 16-gauge aluminized steel which lasts longer than conventional plain steel systems. Easy bolt-on installation; no welding required. Hangers, fasteners and steel clamps included. Exhaust exits rear of truck.

Cat-Back System replaces stock exhaust system from the catalytic converter back. Designed to fit long wheelbase models. Front extension pipe may need to be cut, depending on wheelbase of truck.

Cat-Back Exhaust Systems have resonator tips that replace the original muffler and are 50 state emissions legal.

Replacement Resonator Tips

The 3-1/2" diameter resonator tips replace the original muffler and give your truck that deep performance tone without being too loud. Available in black powder coat blunt tip or stainless steel angle tip.

PART	DESCRIPTION	APPLICATION	REQD	PRICE
36-5557	RESONATOR TIP-BLACK POWDER COAT REPLACEMENT FOR PERFORMANCE	BLUNT CUT EXHAUST SYSTEMS	(2)	\$44.95

Loctite Ready Gasket makes leak-proof gaskets for temperatures from -75°F to 450°F. Blowout resistant, sensor-safe and ideal for sealing differential covers, valve covers, water pumps, thermostat housings and more. Applies with a standard caulking gun, dries black.

PART	DESCRIPTION	PRICE
38-0767	5 OZ TUBE	\$14.95

Loctite Copper Anti-Seize Stick protects against high-temp seizing and galling of fasteners up to 1,800°F. Perfect for spark plugs, exhaust manifold bolts, thermostat housing bolts and oxygen sensors.

PART	DESCRIPTION	PRICE
38-0765	20 GRAM STICK	\$5.95

Strip Caulk is a non-hardening, non-shrinking waterproof black caulking material with great adhesion properties and is temperature resistant from -400°F to +500°F. Perfect for sealing around hoses, tubing, wiring or any other hole, joint, seam, void or gap to prevent fumes, moisture or noise penetration. Easy to apply and can be painted immediately. Contains twelve 1/4" x 12" strips.

PART	DESCRIPTION	PRICE
38-0779	STRIP CAULK	\$3.95

Loctite RTV Red is a high-temperature silicone gasket maker and adhesive. It forms a tough, flexible seal that is resistant to most chemicals without hardening, shrinking or cracking. RTV Red has a temperature range of -75°F to +600°F and is sensor-safe.

PART	DESCRIPTION	PRICE
38-0774	2.7 OZ TUBE	\$6.95

Loctite Threadlocker prevents loosening of threaded fasteners caused by vibrations. Seals and protects threads from rust and corrosion. Allows disassembly with standard hand tools.

PART	DESCRIPTION	PRICE
38-0771	.2 OZ TUBE	\$6.95

Loctite LB 8108 is a high-performance synthetic grease that provides superior lubrication and protection on bearings, hinges, latches, linkage, seat tracks, slides, springs and other automotive applications. Available in a 10.1 ounce aerosol can.

PART	DESCRIPTION	PRICE
38-0748	10.1 OZ AEROSOL	\$6.25

Loctite Dielectric Grease extends the life of electrical components by protecting them from moisture, salt and corrosion. Also prevents spark plugs from fusing to boots. Use on fuses, battery terminals, ignition components and other electrical connections.

PART	DESCRIPTION	PRICE
38-0770	.33 OZ TUBE	\$4.95

Penetrating Graphite Oil is a waterproof lubricant for all metal products. Keeps brake cables, speedometer cables, hinges, locks and other metal applications working smoothly. Helps prevent corrosion and rust.

PART	DESCRIPTION	PRICE
38-0747	.5 OZ TUBE	\$3.95

Loctite Spray Adhesive dries clear with superior bonding strength. Excels at attaching upholstery cloth, carpeting, insulation and has many other uses. Not recommended for use on headliners.

PART	DESCRIPTION	PRICE
38-0798	10.5 OZ CAN	\$7.95

Permatex Windshield and Glass Sealant is a silicone sealant for windshields, windows and other glass. Flows into leaks like water and dries to form a flexible, tough, clear seal that is resistant to extreme temperatures, vibration and most chemicals.

PART	DESCRIPTION	PRICE
38-0783	1.5 OZ TUBE	\$5.95

Loctite Rubberized Undercoating is a heavy-duty undercoating that seals, protects and insulates frames, floor pans, wheel wells and other body panels. Rubberized for maximum durability.

PART	DESCRIPTION	PRICE
38-0766	16 OZ AEROSOL	\$6.95

Loctite Weatherstrip Adhesive is a strong and flexible waterproof adhesive for bonding all types of rubber weatherstripping. Withstands vibration and extreme temperature variations; dries black.

PART	DESCRIPTION	PRICE
38-0792	5 OZ TUBE	\$6.95

Vinyl Edge Sealer Pen is an ultraviolet light-blocking, fast-drying, clear acrylic sealer that protects the edges of vinyl decals, graphics and the ends of adhesive chrome body moldings. It features a wedge applicator tip for a smooth, even application.

PART	DESCRIPTION	PRICE
38-0921	.3 OZ PEN	\$14.95

Seam Sealer provides superior adhesion and flexibility without cracking or peeling. Its self-leveling qualities make it an excellent sealer on cowl, floor, doors and wheel house seams. Skin time is 1-2 minutes and can be painted in 30-60 minutes. Applies with a standard caulking gun.

PART	DESCRIPTION	PRICE
38-0781	11 OZ TUBE	\$9.95

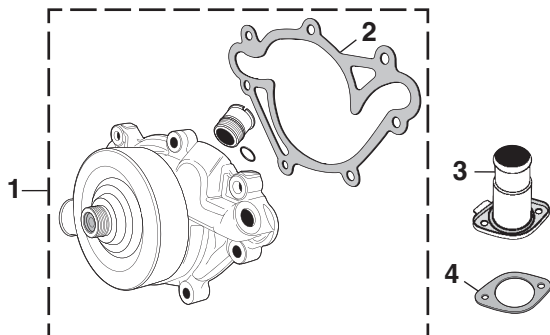

3M™ Adhesive Tape is a high-performance, double-sided tape for all types of accessories, both interior and exterior. The tape's foam core allows it to expand and contract with temperature changes and to conform to surface irregularities and gaps. Includes three 1" x 12" strips.

PART	DESCRIPTION	PRICE
38-0788	3M TAPE	\$8.95

Shock Absorbers ... Driving Control, Even Ride and Performance Handling

56-0267

Gas-A-Just Shock Absorbers: Features higher gas pressure to provide unsurpassed control on even the most demanding roads. Eliminates the age old problem of performance fade by eliminating aeration and foaming, a problem with other shocks that use two-tube construction that allows air to mix with fluid.

56-0291

GR-2 Gas Shock Absorbers: Features lower pressure for riding comfort, with improved handling and response only gas shocks can provide at an economical price. The economical way to step up from hydraulic shocks to the quality ride and control of gas.

Heated Windshield Washer Kit

36-4085

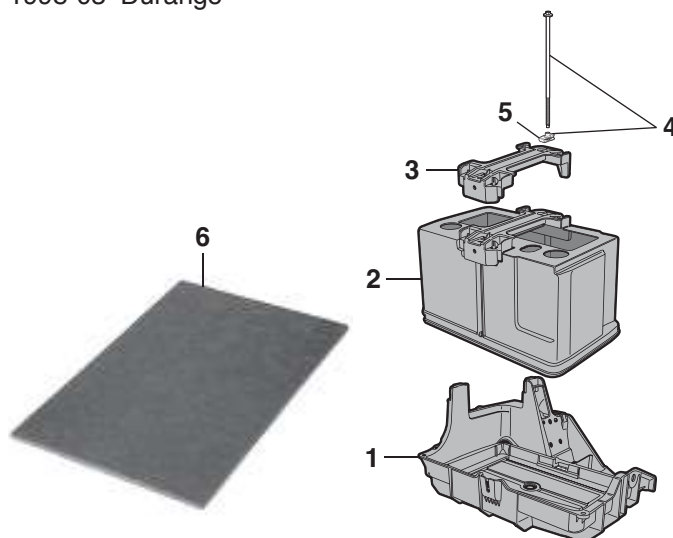

Heat your washer fluid to a temperature of 125-135°F for quick, effortless removal of frost, snow and ice this winter. Provides improved visibility for all driving conditions, while extending the service life of your windshield wipers by minimizing unnecessary wear. Ensures clog-free wiper spray nozzles for consistent spray pattern. Can also be used year-round to remove bird droppings, bugs, grime, road film and streaks.

Installs inline between windshield washer reservoir and spray nozzles. Connects directly to your battery with the included ground cable and fused power cable. Order yours today and see what a difference the Heated Windshield Washer Kit can make! Kit includes mounting bracket, hardware and instructions.

Electronic Musical Horn Plays 46 Sounds

Electronic Musical Horn plugs into a cigarette lighter or power point to play sound three times and stop automatically or can be used as a loudspeaker with included microphone. Auxiliary input allows you to play music from your MP3 player or iPod. Command module is 7" wide by 3" high and mounts using included adhesive backed hook and loop patches. No drilling is required.

Adjustable rotary on/off volume control allows for easy sound level control, five bright LED lights on control module instantly indicate system mode and a 4" diameter weatherproof horn mounts under the hood. For 12 volt negative ground systems.

3 Modes ... Animal, Alarm or Music ... 46 Different Sounds

PART	DESCRIPTION	PRICE
38-1503	ELECTRONIC MUSICAL HORN	\$39.95

Amplified Hide-Away Antenna

Amplified Hide-Away Antenna allows you to get AM/FM reception without having to use standard fender-mount or window antenna. Features active magnetic field circuitry for enhanced radio reception and 105" cable allows installation almost anywhere in your vehicle. Connects to standard antenna plug and radio's power antenna wire (if equipped) or a switched 12V positive power source. Never worry about stolen or damaged antenna again.

Driving Light Set

Driving lights provide a longer, more focused beam pattern for improved long-range vision. Features include reinforced steel housing with black finish and adjustable chrome mounting bracket with 10mm mounting stud; and state-of-the-art reflector which gives maximum light output from a 4-1/2" diameter light. Lights are complete with illuminated push button switch, 12-volt relay, all necessary wiring, mounting hardware, protective lens covers and high efficiency halogen 12V 55W replaceable bulbs.

38-1274

For added style, replace the white halogen bulb with a halogen blue-coated bulb. The blue-coated bulb creates an intense white light which gives the cool look of HID (high intensity discharge) lighting without the high price.

Custom Light Bulbs

Halogen Blue-Coated Headlight Bulbs

Halogen Bulb Tech Tip: Always handle halogen bulbs by the plastic base to prevent contaminants on the glass from shortening the life of the bulb.

Replace the white halogen bulbs with a halogen blue-coated bulb. Blue-coated bulb creates an intense white light, giving the cool look of HID (high intensity discharge) lighting without the high price; call or go online and order yours today!

Superwhite Bulb Set Produces 30% More Light

Superwhite headlight bulbs produce 30% more light while retaining the street legal wattage. Superwhite bulbs use a proprietary mixture of premium gases that includes Xenon, which cools the light filament, improving the efficiency and light output of the bulb, unlike standard halogen bulbs which use less efficient argon gas.

36-0298

Superwhite bulbs operate in the Kelvin color temperature range of 4000-4200K, producing a brighter, white light. Traditional halogen bulbs operate at 2600-3000K, emitting a more yellowish appearance. Sold in sets of two. Call or go online and order yours today!

LED Bulbs

LED bulbs have no filament, making them less sensitive to vibrations, and illuminate 140 times faster while lasting up to 20,000 hours, much longer than conventional incandescent bulbs. They emit less heat and use only 15% of the energy required by incandescent bulbs, reducing the load placed on a vehicle's electrical system.

37-7497	LED TAILGATE LIGHT 48" LIGHT	\$229.95

What You Need to Know Before Ordering:

We are excited that you've decided to make us a part of your journey! Whether you are rebuilding from the ground up or just adding some distinctive touches to your vehicle, we are proud to give you a hand.

In addition, we'd love to see what you've been up to with your projects, so please log on to lmctrucklife.com and share your stories and pictures.

Understand that we are not trained automotive technicians. We want you to consult with mechanics regarding technical advice. Technical information is also included in the workshop manuals shown in this catalog. Please take the time to consult these resources if you feel you need to.

On those occasions that we've run out of a part on your order, chances are that it's already on its way to us. These items are listed as backordered on your invoice and will be sent your way as soon as possible. If you're not interested in waiting for your backordered product, just call our customer service line at (800) 222-5664, and we will cancel it and refund any money that has been paid.

You can also write "No Backorders" on your order form before you send it to us, and we'll make sure only to ship the products we currently have in stock.

Some parts have extra charges. Please consult below to make sure you understand these charges and so you aren't surprised later.

Part Number Definitions

- T** - After a part number means that part must be shipped Truck Freight. The prepaid order will include a \$125.00 charge for delivery in the 48 contiguous United States. Orders outside of 48 states will be quoted. Due to packing and/or transportation requirements, please allow additional time for delivery.
- * - After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.
- Z** - After a part number means Remanufactured Part. Core charge will be applied then refunded after receipt of a rebuildable core.
- R** - After a part number means Remanufactured Part. No core charge.

And one more thing, the part our lawyers make us say: We reserve the right to refuse service or shipment to anyone. We reserve the right to collect a service charge of \$20 for a returned check and to hold any shipments until the fee is collected.

Thank you for your support. Best of luck with all your projects!

What You Need to Know Before Returning:

If only we lived in a perfect world! Unfortunately, we don't, and things can go wrong. When that happens, we do our best to try to make things right again. But we need your help as well.

All returns must be in like new condition and in the original packaging. Please include a copy of your invoice, as that will make the process quick and easy.

We refund your payment the same way you paid. Refunds of less than \$1 will not be made except by customer request.

We can't be responsible for damages, so please package your returned items carefully.

If you can ship the item back to us ground or USPS within the 48 contiguous United States, you don't need to call for authorization. Just send it to us at:

15450 W. 108th St. Lenexa, KS 66219

If we shipped you the wrong item, send it back, and we'll send the right item and reimburse you the ground rate for your return.

We can't accept anything that has been installed (unsuccessful attempts do count), disassembled, drilled, welded, cut, painted, or modified in any way, so please make sure to check and doublecheck the fit before starting any work.

If you are returning a kit, it needs to contain all the parts you received. No partial kits may be returned.

Electronic media (CDs, DVDs) cannot be refunded once they are opened. However, if it is not working properly, it can be exchanged for the same part number.

Please call our customer service line for a return authorization if your part was delivered outside of the 48 contiguous United States.

If you want to return something you bought over a year ago, please call our customer service line for return authorization.

You must call Customer Service when returning a Truck Freight item.

Customer Service Line: (800) 222-5664

¿Habla Español? (855) 456-2288

A 20% non-refundable restocking fee will be added to anything that's over a year old (unless the extended manufacturer warranty is still in effect, of course) as well as to any unauthorized Truck Freight returns.

And the legal part again: We have the right to refuse any return we deem unfit for resale. We also have the right to refuse any shipments where the shipping charges, duties, customs, etc., are not prepaid.

- Gift Cards can now be redeemed through the mail or by phone.

What You Need to Know About Shipping within the 48 Contiguous States

We do our best to keep our shipping charges as low as we can. However, some items we carry need some extra space or special handling, so these may require extra charges to ensure they get to you in the most reliable, safest way. Please check your shipment as soon as you can to make certain that everything is accounted for and nothing is damaged. We do everything in our power to ensure your product arrives undamaged.

Shipping charges are based on the "Parts Total" on your order. This chart shows the basic charges for Ground, 2nd Day Air (for delivery the second business day after the order is placed), and Next Day Air (for delivery the next business day) for shipments to the contiguous 48 states. Exceptions are listed below. Limitations may apply.

New Shipping Prices

Order Parts Total	Ground Delivery	2nd Day Air	Next Day Air
Up to \$10.00	\$ 4.00	\$ 23.00	\$ 43.00
\$10.01 to 25.00	6.00	27.00	50.00
25.01 to 50.00	8.00	32.00	57.00
50.01 to 100.00	15.75	43.75	70.75
100.01 to 150.00	23.75	60.75	86.75
150.01 to 250.00	29.75	69.75	96.75
250.01 to 350.00	34.75	78.75	112.75
350.01 to 500.00	37.25	83.25	125.75
500.01 to 999.99	40.75	Quote	Quote
1000.00 and Up	Free Ground ▼ Free Truck Freight ▼	Quote	Quote

If you are ordering Oversized Parts (indicated with a * throughout this catalog), or if you are placing an extra large order, please allow for extra packing and delivery time.

In order to qualify for the free Ground shipping or free Truck Freight, your entire \$1000+ order must be placed at one time. We may have to split your shipment, but we will pick up the shipping charges.

If you want delivery by 2nd Day or Next Day Air, your order must be in by 3 p.m. Central Time, Monday through Friday. This service is available only within the 48 contiguous states and not allowed to P.O. boxes or APO/FPO addresses. There are some limitations on what we can ship by air, based either on size of the products or the items themselves (ORM, Other Regulated Material, such as adhesives are not allowed on air shipments, for example). Oversize Parts (*) are not available for air delivery. Delivery can't be guaranteed on holidays. Backorders will be shipped ground when those products arrive at our warehouse unless other arrangements are made.

Truck Freight and Oversized Parts are not available for Saturday delivery.

Customer Service Line: (800) 222-5664
¿Habla Español? (855) 456-2288

If you are shipping within Kansas, you will be charged state and local taxes. This also applies if you pick up your order in person at the City Counter, unless you have a Kansas State Resale Exemption form on file with us.

What You Need to Know About Shipping to APO and FPO Addresses

We are thrilled to be able to ship to those who are serving our country; however, there are some limitations on these shipments. We are unable to ship Truck Freight items to you at this time. All orders will be shipped complete, via Insured Priority Mail through the USPS. Size limitations will apply. Please make sure before you place your order that what you are ordering will be accepted and is deliverable to you in your location.

What You Need to Know About Shipping USPS Priority Mail to Alaska, Hawaii and the U.S. Territories

This chart shows shipping charges on orders up to \$500 that qualify to ship USPS Priority Mail. Parts must be 108 inches or less and weigh 70 pounds or less to qualify for USPS Priority Mail. If any part does not meet these qualifications, your order will be delivered by ground for additional charges.

Order Parts Total	USPS Priority Mail Alaska, Hawaii & U.S. Territories
Up to \$20.00	\$ 19.95
\$20.01 to 50.00	25.95
50.01 to 75.00	36.95
75.01 to 100.00	41.95
100.01 to 150.00	45.95
150.01 to 250.00	54.95
250.01 to 350.00	65.95
350.01 to 500.00	71.95
500.01 and Up	Quote ♦

All orders will ship complete. Any additional delivery charges will be added to your total as needed, including Oversize Part charges or overweight charges. ♦ You will be contacted with charges.

We will need a daytime phone number with your order. If there is a problem with your order, we will attempt to contact you three times. If we are unsuccessful, your order will be cancelled 5 days after that third failed attempt.

What You Need to Know About Shipping to Canada

Your orders will be shipped ground "Door to Door," which includes brokerage, duty and tax. Charges will be based on the value of your shipment. Document and preparation fees are included. Please call our customer service line for assistance.

What You Need to Know About Shipping Internationally

All international orders ship complete. Shipping charges must be prepaid in U.S. funds. Brokerage, duties, taxes, and fees associated with the order are paid by the customer. We do not accept personal checks on international orders.

What You Need to Know When Shipping Problems Occur

Please open your package(s) as soon as possible and make certain that everything is accounted for and nothing was damaged in shipment. Damaged shipments are the responsibility of the carrier and must be reported to the carrier within 15 days of receipt.

If the package looks damaged when it arrives, open it with the delivery person present, so that they can make an immediate report of damages and discrepancies. If the damage is not obvious at the time of delivery, or if the package was left for you by the shipping company, contact their customer service as soon as possible to make your claim.

On Truck Freight shipments, it is your responsibility to check your order and have the driver note any damage on the freight bill before you sign for your item(s).

Please keep all packing, packaging and contents until your claim has been settled with the shipping company.

What You Need to Know About Shipping a Rebuildable Core Part

Without the constant inflow of rebuildable cores, items can become discontinued and unavailable.

Some items carry a Core Charge which can be reimbursed by your sending in a core that can be rebuilt into a usable part for someone else. These items are marked throughout the catalog with a -Z in the part number. In order to get your Core Charge refund, the part you send in must be clean, complete and rebuildable according to the standards set on that item's catalog page.

Please send us the core part back with a copy of your invoice. If your core is acceptable, we will refund your money in the same way that you paid the Core Charge plus any shipping charges. To be reimbursed for your core return shipping charges, please include a copy of your shipping receipt.

New Rules for Out-Of-State Sales Taxes

On June 21, 2018, the United States Supreme Court fundamentally changed the rules for collection of sales tax on out-of-state transactions. In its decision the Court effectively stated that individual states can require online sellers to collect state sales tax on their transactions. Many states already have, and more will continue to, impose sales tax collection on companies.

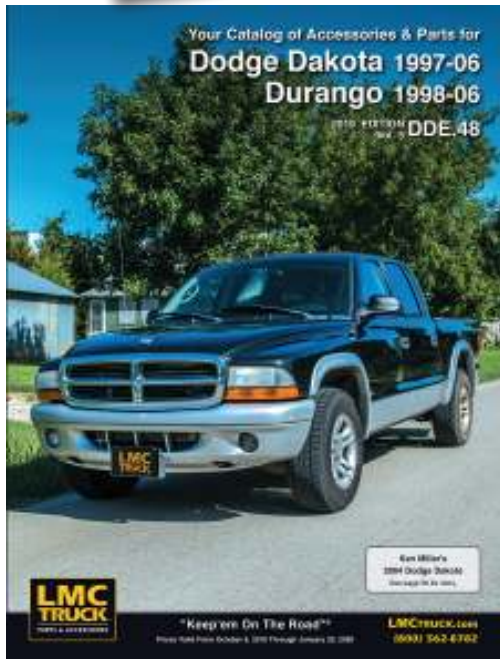

Based on this ruling we will be collecting taxes if you reside in a state that requires us to do so.

If you are planning on sending an order by mail, please be sure to check your State and Local Sales Tax rates.
